

ENGLISH LYRICS FOR CD “WORSHIP BEFORE THE THRONE”

1. THE PATH OF FAITH

Come On!
Let us lay down every sin
With true patience
Let us, run,
The race that is before us

Come on!
Let us rejoice and be glad
With grateful hearts fix our eyes on
The Author of our faith

(Chorus)
Jesus said He is the Way and the Life
How wide and deep
How wide and deep
(His) love will never change

Selah
Jesus Christ my Lord
Is my joy and song
He's my hope and my strength
I lift up the cross
For it is my hope
My salvation comes from my Creator

2. HOLY PASSION

Grace for my brokenness
Mercy for humble hearts
Contrite spirit, Lord, You do not despise. (2x)
Righteous King Jesus

(Chorus 1)
Give me a deep, holy passion
For Your righteousness and kingdom.
Create in me thirst that's not quenchable
'Til I am drawn wholly to You
O Lord, hear the cry of my heart!

Give us the eyes of faith
Life for eternity
We pray for Your holy Presence today. (2x)
You are our glory

(Chorus 2)

Give us a deep, holy passion.
Longing to see nations turn to You
For Your mercy and justice we plead
Rebuild Your church, the house of pray'r
O Lord, hear the cry of my heart!

(Bridge)

Let Your Holy flame consume me now.
Take up the cross I will follow.
Let true revival begin in me.
Until Your heart beats deep within me

O Lord, hear the cry of my heart!

3. FLY

On the wings of the morning
To the secret place of the Most High
Lovingly, I meet my Father God
Pouring out my soul

How my spirit soars free
In the fullness of Your great love
As I wait, my heart grows stronger still
My Salvation

O search me and know me,
Lay hold of me.
Surround me and guide me
Lead me, hold me.

(Chorus)

They that wait on the Lord
Will see their strength renewed
Will soar upon Eagle wings.

Leaning on Your mighty arms,
I lay down my all at Your feet.

Seeking You, hearing You, b'holding You.
My Heart's Desire.

O to be lost in Your glory, my God.
How precious are the thoughts You have of me.

(Bridge)
Great and marvelous, my God, my King

(Chorus)
They that wait on the Lord
Will see their strength renewed
Will soar upon Eagle wings.

4. HIDING PLACE

Everlasting God of Ages,
In Your presence, there I find
You are Light, the Essence of Love,
Fountain and Source of Life.

Ancient of Days, You're my Fortress.
With Your love You strengthen me
You are Alpha and Omega –
Maker of all that is

(Chorus)
Father Eternal, my Refuge, Hiding Place.
You are my song of joy,
Hold me close. Strengthen me.

(Bridge)
Mighty God, let me hide beneath Your shadow
'Til the storm is past.
Let me always lean on You,
Hear Your small voice,
Gaze into Your face.

You are the Ever-Living God

5. INTO THE HOLY PLACE

As I come before Your throne
Gazing at Your blessed face
Fully washed in Your blood
Given robes of righteousness

I am saved by grace through faith
Words of love pour from my heart
Why am I so blessed
That my cup is running o'er?

(Chorus A)
Walk with my King
Draw near to You
Listen to You
Knowing Your voice

Hearing You now call me, friend.
Seeing me a precious jewel
Holy love surrounds me
My heart flies to Your throne

Deep in my soul
You are my Friend
You are my Love
My heart is Yours

Selah
You are my eternal Home

Your presence's better than life

(Chorus)
You are my love.

Nothing else can replace
Your majestic beauty.

Heavenly Father,
Holy is Your precious name
We lift Your name high over the earth.

When we come as one in humble pray'r
May Your kingdom come,
Your love spread through this land

Worshipping as one,
As a living sacrifice
Do as You will, Father Almighty.

This our humble pray'r:
Your will be done.
Move in this nation
As You move in heaven.

(Chorus)
E'tablish your throne,
Build Your dwelling place

How we long to see our God's desires fulfilled.

Lord Jesus Christ
Hope of all nations in all the earth.

Joy for all the earth,
Lover of our souls,
You are righteous, Lord
Perfect, just and true.

By Your blood, I am clean. I am grateful for Your grace
Your cross, Your scars of love, reveal Your immeasurable love
Who shall not revere? Who shall not praise? The Most Worthy Savior

Evidence of what we hope for, certainty of what we do not see, faith is beyond
sight
There shall be the Day, when You will return. My hope will be complete
